

Greetings!

This is to advise you that this year's Elk Training will be held at Orangeburg Lodge #897 on Saturday, March 9, 2024. Our session will begin at 9:00 AM and will continue until approximately 2:30 PM. Breakfast will NOT be served; however, lunch will be offered for an as yet to be determined price.

In order to efficiently plan this event, I would like to have a preliminary count of attendees. Please send me an approximate number of the people from your lodge that will attend this training session. Since my e-mail address within the association will soon change, please send your replies to bk16749@gmail.com.

Thanks for your cooperation. I hope to see you in Orangeburg.

Tony Smith
President-Elect
