Attached are the names and phone numbers and daily rates (as listed online using check in date of March 8<sup>th</sup>) of the newest hotels in the Orangeburg area. These hotels are all on Citadel Road which is a frontage road off US 601 at the intersection of I-26. Although we would like you to join us for dinner on Friday the 8<sup>th</sup> at the Orangeburg Lodge, there are several places to eat in the immediate area such as Cracker Barrel, Ruby Tuesdays, Wendys, Mcdonalds, Zaxbys, Hardees and Subway. It is an approximately fifteen-minute drive from these hotels to the Orangeburg Lodge. There are three or so more economical hotels on the other side of US 601, but they are older units.
